Key messages

Campaign 2023

- 1** **1 person in 5 in the Outaouais receives our help, and 5 out of 5 benefit from it.** Women, men, children, families ... Centraide provides a SOCIAL SAFETY NET for the community.
- 2** With the help of the **88 agencies**, Centraide helps nearly **88,000 people in the Outaouais** and works towards an inclusive, poverty-free community.
- 3** The funds are redistributed here, in our local communities (Collines-de-l'Outaouais RCM, Papineau RCM, Pontiac RCM, Vallée-de-la-Gatineau RCM), and in the city of Gatineau, where the needs are greatest.
- 4** The community-based agencies supported by Centraide makes a big difference in the lives of people—many with multiple needs—who call on these local resources.
- 5** By donating to Centraide Outaouais, you are showing solidarity with your community. **You're part of the solution.**

Let's all lend a hand!
